

Forestry Camp Scholarships Available

The Knox Soil & Water Conservation District is looking for students to send to Forestry Camp. Have you ever wondered what types of trees are in Ohio's forests? Or what kinds of relationships organisms have with the forest? If so, Ohio Forestry & Wildlife Conservation Camp is the place to be! Camp is held at FFA Camp Muskingum, which is situated on Leesville Lake in the beautiful rolling hills of Carroll County. Any student who has completed 8th grade and is at least fifteen (15) years of age is welcome to participate.

This week-long camp concentrates on forest ecology including silviculture, tree identification, and forestry products. It is primarily an academic program but there are excellent facilities for swimming, softball, and other recreational activities. Special evening programs are scheduled for social as well as academic value. Cabins are available and all food is provided.

If you are interested in attending The Ohio Forestry Association's Forestry Camp please fill out the scholarship application form below. The student must be 15 years of age and have completed the 8th grade. Students will be responsible for transportation to and from camp. The 2012 camp will be June 10-15th.

FORESTRY CAMP APPLICATION:

NAME: _____

ADDRESS: _____

SCHOOL: _____ GRADE: _____

AGE: _____ (As of January 1, 2012) TEACHER: _____
